Magic is a category into which have been placed various beliefs and practices considered separate from both religion and science. Emerging within Western culture, the term has historically often had pejorative connotations, with things labelled magical perceived as being socially unacceptable, primitive, or foreign. The concept has been adopted by scholars in the humanities and social sciences ...

William Barclay the False Teacher Richard Hollerman We are convinced that many people do not realize how widespread false teaching is in our day. They simply "go to church" or accept "church membership" and fail to have spiritual discernment regarding what is taught by the pastor, preacher, or priest. They just assume that all is well; otherwise, the [...]
