There seems to be a huge double standard when it comes to Muslims and Islam. When a white kid shoots up a school or when a white Christian shoots up a synagogue, engages in white supremacy, or attacks people of other races and/or faiths, no one says anything about white people or Christians in general. Yet when one so-called Muslim commits an act of violence, all 1.8 billion Muslims take the ...

Preface to the Second Edition. The present edition of this History of Islamic Philosophy, which was first published in 1970, embodies a number of changes which I hope will make this book even more useful to the reader than the first one. A number of corrections have been made throughout the book, the final chapter expanded somewhat and the bibliography updated and rearranged.
