Most states have, or are developing, tests to assess their students' proficiency in state frameworks of curriculum. Many of these states are including students with limited English proficiency in this assessment process, but a significant number of LEP students have difficulty passing these standardized tests.

I'm looking at a "classic" process maturity assessment done by a consulting firm for a client, and what a useless document it is. I'm not saying who sent it to me or why or where from. That isn't important here because so many assessments are similar. Compare yours. The report analyses 8 practices. It doesn't say why those eight.
