Internet Lessons Note For Teachers: Please take time to preview the links on any Internet assignment before you use it with your students. With the ever-changing nature of the Internet, links may be become broken or websites are no longer available. If you find a problem, please send me an e-mail. • The Organ Trail - Challenge your students to create a "Wanted" poster about an organ.

The Science Spot

A flipped classroom is an instructional strategy and a type of blended learning that reverses the traditional learning environment by delivering instructional content, often online, outside of the classroom. It moves activities, including those that may have traditionally been considered homework, into the classroom. In a flipped classroom, students watch online lectures, collaborate in online ...
