About the Author Dr. Thomas C. Hsu is a nationally recognized innovator in science and math education and the founder of CPO Science (formerly Cambridge Physics Outlet).

### **About the Author - Westwood Regional School District**

Physics A First Course is created around the premise that science is a process of exploration and discovery of ideas and that this new knowledge connects and enhances lives. Each of our eight chapters starts and ends with an investigation, bringing discovery to the students before and after reading the Student Edition.
