New Shoes Simulation Game Answers

Still I felt that the question was only partially answered for my students who did not have marketing experience. New Shoes simulation helped me to finally introduce experiential learning element in my class. New Shoes simulation is a good reflection of what marketers do in real life and I am very satisfied to use it in my class.

NewShoes- Introduction to Marketing Simulation

I'm in a marketing class and the majority of our grade will depend on how well we do on this simulation game. Is there anybody that has done this simulation game before? my team is in first place right now but one of the other teams is catching up quick. who ever wins the game will get the only passing grade on this game. I need tips on whats the best thing to do in this simulation game.

I also am in a Marketing class which unfortunately grades us based on our group success in the "New Shoes" simulation game. The problem is that even if I personally would do well, our group might not. As a result, my grade can get dragged down considerably. I come here asking for help with this game - is anyone familiar with it?

New Shoes Simulation (Marketing people get in here) | TMB

Think Walmart, not Nike. Ultimately, if you can offer the lowest priced shoes amongst the competitors, you are going to sell a lot more/make more profit than the people selling high quality shoes. Everyone else that isn't selling high quality end up losing out to you because the customers all buy your shoes first since you offer the best price ...
