How can classroom reading instruction help poor readers — indeed, all students — become more like good readers? Research suggests that the answer may lie in providing students with instruction that both teaches them the comprehension strategies that work so well for good readers and helps them to develop the necessary metacognitive awareness of how and when to use these

Education in the United States is provided in public, private, and home schools.. State governments set overall educational standards, often mandate standardized tests for K-12 public school systems and supervise, usually through a board of regents, state colleges, and universities. The bulk of the \$1.3 trillion in funding comes from state and local governments, with federal funding ...
