Review Packet for 6th Grade Science Final

'One-parent families' only appeared in official documentation in the 1960s. Of course, arrangements whereby one parent brings up a child have always existed but historically it was a phenomenon known by different stigmatised names (e.g. 'unmarried mother', 'fatherless family') and regarded from different perspectives (e.g. as pathological). The change in name, some shift towards being...

Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.

Mentorship - Wikipedia
