Abstract. The notion of paying college football players has been an ongoing debate since the early 1900's. With current television revenue resulting from NCAA football bowl games and March Madness in basketball, there is now a clamoring for compensating both football and basketball players beyond that of an athletic scholarship.

FROM THE ARCHIVES In order to accomplish a successful 360° evaluation, organizations should—among other factors—have a clear purpose and strategy going in, properly educate staff and board on the process and goals of the assessment, and ensure assessors are credible. But perhaps most fundamental to the process is leaders' commitment to across-the-board evaluation as well as willingness ...

For long-term success in school, business and life, learning HOW to think is far more important than learning WHAT to think.. Yet rather than serve as the core of any education worthy of a rational human being, we have relegated the teaching of logic, argument analysis and critical reasoning to specialty courses in universities that reach too few students, too late in their education.
