Stone Age people and hunter-gatherers relied on wildlife, both plants and animals, for their food. In fact, some species may have been hunted to extinction by early human hunters. Today, hunting, fishing, and gathering wildlife is still a significant food source in some parts of the world. In other areas, hunting and non-commercial fishing are mainly seen as a sport or recreation.

A quick note about "Viking Symbols" While we sell hundreds of jewelry items with various symbols, it is helpful to understand their true background. Most of these iconic images were used by the Norse before and during the Viking era, though the original true meanings of some are simply educated guesses by archaeologists
