Social justice warrior (SJW) is a pejorative term for an individual who promotes socially progressive views, including feminism, civil rights, and multiculturalism, as well as identity politics. The accusation that somebody is an SJW carries implications that they are pursuing personal validation rather than any deep-seated conviction, and engaging in disingenuous arguments.

1. Introduction. The scientific use of the term addiction in reference to food (chocolate) has been traced back to 1890, followed by sporadic interest in the topic dating from the 1950s, and a burgeoning of publications in the area much more recently (Meule, 2015). This recent research comprises behavioural and physiological studies in humans, and the development of animal models of ‘food ...
