Dark Mode. Version 2.4 introduces a new feature: dark mode. Setting dark mode changes the colour scheme, so the background colour is dark – nearly black – and the text is pale. This setting is useful for using the oremus Bible Browser in a dark setting, for example at a nighttime service in a church or elsewhere.

"I think the world of Web development is becoming easier and easier but it's also making it harder for guys like me to find work because so many people want to use out-of-the-box responsive layout sites that are easy to implement and launch. I personally would much rather make a site from scratch than use a template.
