COLLEGE OF ARTS & SCIENCES BIOLOGY Detailed course offerings (Time Schedule) are available for. Spring Quarter 2019; Summer Quarter 2019; Autumn Quarter 2019

BIOLOGY - University of Washington

Credits: 1. Prerequisite: Middle school biology and chemistry. Recommended: 9th or 10th Test Prep: CLEP Biology This course covers the basic material for this exam, but this is considered a very hard test, and I would suspect more will need to be studied to learn everything required for this huge exam. It's worth the same as two college courses which is why it covers so much.

The Schaffer research group applies molecular and cellular engineering approaches to investigate biomedical problems focused on engineering of stem cell and gene therapeutics. Our group is a part of the department of Chemical and Biological Engineering, the Helen Wills Neuroscience Institute, and the Bioengineering Graduate Group at UC Berkeley.

Schaffer Research Group - University of California, Berkeley

The history of biology traces the study of the living world from ancient to modern times. Although the concept of biology as a single coherent field arose in the 19th century, the biological sciences emerged from traditions of medicine and natural history reaching back to ayurveda, ancient Egyptian medicine and the works of Aristotle and Galen in the ancient Greco-Roman world.

The relationship between biology and sexual orientation is a subject of research. While scientists do not know the exact cause of sexual orientation, they theorize that a combination of genetic, hormonal, and social factors determines it. Hypotheses for the impact of the post-natal social environment on sexual orientation, however, are weak, especially for males.

Biology and sexual orientation - Wikipedia

Link to Departments website. The major in Accounting at UGA is designed to give students an understanding of the theory of accounting as it is used in our society: accounting standards, financial statement preparation, product costs, budgeting, taxation, auditing, risk assessment, and controls.
