physics and technology for future presidents Flashcards ...

Welcome to "Physics for future Presidents." The title is serious. The official designation is Physics C10 or L&S C70V (the course is cross-listed), and sometimes called qualitative physics -- but this is not trivial physics. You will be learning material that is generally not learned by the physicist until after earning a Ph.D.

Physics for future Presidents - Richard A. Muller

Physics for Future Presidents. "Physics for Future Presidents " is the name of a course I have taught at Berkeley for the past ten years, as well as the title of the book derived from the course. I created it when I was asked to teach a "Physics for Poets" course at Berkeley. Many of my students have become government and business leaders,...
