*Merely said, the political cartoon answer key is universally compatible with any devices to read*

### **Political Cartoon Answer Key**

Political psychology is an interdisciplinary academic field dedicated to understanding politics, politicians and political behavior from a psychological perspective. The relationship between politics and psychology is considered bi-directional, with psychology being used as a lens for understanding politics and politics being used as a lens for understanding psychology.

From the beginning, American political parties have had a tarnished reputation. In his 1796 Farewell Address to the nation, George Washington warned against "the baneful effects of the spirit of party" as inciting American citizens "with ill-founded jealousies.". Today many Americans take pride in their status as "independent voters," partly because they see parties as lacking vision for the ...
