In an early glimpse of how much tougher state tests could be in the Common Core era, a new federal report released in July shows that early adopters of the controversial standards are assessing their students with a far higher degree of difficulty.. While this new report is unlikely to settle the battle between Common Core advocates and foes, it does indicate that one of the original purposes ...

Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.

Mentorship - Wikipedia
