David Ray Griffin, PhD – Professor Emeritus, Philosophy of Religion and Theology, Claremont School of Theology. Author/editor of over two dozen books, Prof. Griffin first questioned the 9/11 official story in 2003 while exploring a 9/11 timeline filled with reliable, verifiable facts suggesting a major cover-up. He then switched his focus from theology to 9/11 research.

Scientific racism (sometimes referred to as race biology), is the pseudoscientific belief that empirical evidence exists to support or justify racism (racial discrimination), racial inferiority, or racial superiority. Historically, scientific racist ideas received credence in the scientific community but are no longer considered scientific. Scientific racism employs anthropology (notably ...

had to drop because this professor was so bad. I love biology and she was a miserable instructor. there is a language barrier, then she just goes over the book without explaining anything. worst is that she only grades tests, and her tests are vague with few questions. so doesn't matter if you studied. missing two is a fail. labs are self taught.

Najwa Izzat at Houston Community College (all campuses ...

The philosophy of education examines the goals, forms, methods, and meaning of education. The term is used to describe both fundamental philosophical analysis of these themes and the description or analysis of particular pedagogical approaches. Considerations of how the profession relates to broader philosophical or sociocultural contexts may be included.
