It was common years ago for health care facilities to flush unused pharmaceuticals down the toilet or dump it down the drain. The Environmental Protection Agency (EPA) conducted studies and identified numerous pharmaceutical compounds in our nation's rivers, lakes, streams and drinking waters. Despite the complexity of waste management, dental offices must evaluate the types...

"I am very happy that you guys released this, not only it is a great idea it was executed properly. I will use this to build a basic AMP site for a customer. i looked at the video and demo sites and was very happy with what could be done. I would really like to add more widgets to your free website design software.
