A comparative study conducted by Logan et al. (2012) indicated that both entertainment and informativeness have a significant impact on the value of social media ads and TV ads. Another significant relationship was also noticed by Logan et al. (2012) between advertising value and customers' attitudes. However, Logan et al. (2012) disproved the impact of irritation on the advertising value.

This past year, I had the opportunity to teach all of the English 11 classes at the Langston campus of GWHS, and although I used to teach the course every semester my first five years of teaching, it had been years since then, and I really had to rework my materials to get my students ready for those end-of-course achievement tests.. In Virginia, once students reach the high-school level, they ...

In my fifteen years as a Python developer and author, one question seems to come up over and over again: "Can anyone recommend a good book on Python?" To book authors, this is pretty much a conflict-of-interest question. "Why, mine!" is what we would all say. The problem is that there is no correct ...

1. Introduction. Sustainability issues, like growing inequality (Piketty and Saez, 2014) and the deterioration of our natural livelihood (Rockström, Steffen, and Noone, 2009) make the transformation to a more sustainable economic system increasingly desirable. To realise this transition, private business is a pivotal stakeholder commanding the most resources and
