From Reuters via ABC News (10 April 06) comes news of a study that suggests that violent video games prime young men to perceive others' attitudes towards them as hostile.. Playing the violent game boosted young men's blood pressure, and appeared to have more of an effect on those who came from more violent homes or communities, the study says.

Psychedelic folk generally favors acoustic instrumentation although it often incorporates other instrumentation. Chanting, early music and various non-Western folk music influences are often found in psych folk. Much like its rock counterpart, psychedelic folk is often known for a peculiar, trance-like, and atmospheric sound, often drawing on musical improvisation and Asian influences.

Psychedelic rock is a diverse style of rock music inspired, influenced, or representative of psychedelic culture, which is centred around perception-altering hallucinogenic drugs. The music is intended to replicate and enhance the mind-altering experiences of psychedelic drugs, most notably LSD. Many psychedelic groups differ in style, and the label is often applied spuriously.
