But not so long ago, the scientist turned his attention to physics, quantum mechanics and astrophysics. This explosive mixture has given birth to the new theory of biocentrism, which the professor has been preaching ever since.. The theory implies that death simply does not exist. It is an illusion which arises in the minds of people. It exists because people identify themselves with their body.

Rhetoric is the art of persuasion. Along with grammar and logic (or dialectic – see Martianus Capella), it is one of the three ancient arts of discourse. Rhetoric aims to study the capacities of writers or speakers needed to inform, persuade, or motivate particular audiences in specific situations. Aristotle defines rhetoric as "the faculty of observing in any given case the available means ...
