New To This Edition. As this fourth Canadian edition was developed, the primary emphasis was to expand and further refine two critical themes for operations management: the critical role that operations managers play in the design and execution of competitive supply chains; and the pivotal importance of operations in the creation of customer value.

**Foundations of Operations Management, Fourth Canadian ...**

Operations Management for Service Providers. As the Canadian economy has changed from a goods producer to a service provider over the last sixty years, the dominance of the manufacturing sector has declined substantially. Today, only about 10 percent of Canadian workers are employed in manufacturing, in contrast to 30 percent in 1950.
