This song was written about actual sailing. Christopher Cross wrote the song about the days he spent sailing with a older man who befriended him as a teenager who became somewhat of a father figure to him, since his own father was an alcoholic and never had a good relationship. He describes sailing as a way to escape the difficulties of growing up in that environment and reflects on the great ...

Definition of Atmosphere. Atmosphere in literature is the feeling, emotion, or mood that an author creates in a narrative through descriptive language. Thus this literary device is, in a sense, the emotional atmosphere in which the action takes place, as well as the emotional atmosphere that the audience is encouraged to internalize while reading.
