This is Jeff Boulton's professional portal for his students and colleagues. Whether you need extra help in a course, resources to use as an educator, have general questions, or are one of his students, this is where you start your search. You'll find contact info, course outlines, notes, resources, self-marking quizzes, self-evaluations, weblinks and more.

### Mr. Boulton's Website

In this section I lead students in notes concerning dimensional analysis while they fill in their notes and I present the PowerPoint.. While teaching students the steps of dimensional analysis I encourage students to use the method of underlining what they know, circling what they want, determining the equivalence statements, and then plugging in with dimensional analysis.
