PPT - Sample Problem Solution PowerPoint presentation ...

There are a number of potential problems, so let's work through them step by step. First, check if the video file exists. Depending on the way you inserted the video or what version of PowerPoint you are using, PowerPoint may link to the video file instead of embedding it, so the video file must exist on the computer in order for it to run.

Solving Presentation/PowerPoint Problems

Call on students to come up to the board to highlight the places where solutions are offered. Discuss that since the passage does go back and forth between the problems and some solutions, this is a stronger demonstration of the problem and solution text structure.
