Toronto Pearson International Airport has two active public terminals, Terminal 1 and Terminal 3. Both terminals are designed to handle all three sectors of travel (domestic, transborder, and international), which results in terminal operations at Pearson being grouped for airlines and airline alliances, rather than for domestic and international routes.

Military geography is a sub-field of geography that is used by the military, as well as academics and politicians, to understand the geopolitical sphere through the military lens. To accomplish these ends, military geographers consider topics from geopolitics to physical locations' influences on military operations and the cultural and economic impacts of a military presence.
