Pltw Activity Answer Key

Project Lead The Way provides transformative learning experiences for PreK-12 students and teachers across the U.S. We create an engaging, hands-on classroom environment and empower students to develop in-demand knowledge and skills they need to thrive. We also provide teachers with the training, resources, and support they need to engage students in real-world learning.

Quia Web allows users to create and share online educational activities in dozens of subjects, including Science.

Quia - Science

The students who truly are interested in STEM will seek an extracurricular activity to get more involved and learn more about STEM. Most educators cannot get every one of their students interested in what they are teaching, but in an extracurricular activity, you will have the students who not only like what you teach, but they are eager to learn.
