Welcome. It's timely to stress that The Political Compass has been on the internet since 2001. The uniqueness of our take on politics is reflected in the gratifyingly enthusiastic reviews we've enjoyed in the national media of many countries from our earliest years — as well as from many teachers and academics who continue to use our work. The enduring appeal of The Political Compass ...

The Political Compass

1968 has shaped radical progressive politics perhaps more than any other year. It was a moment when the social movements of women, race and peace, which had been developing throughout the decade, collided with new left thinking and ideas.
