## Physics Aptitude Test Tutor - Physics Aptitude Test Tuition

The date for the test is 30 October 2019. Please note that the format of the Physics Aptitude Test has evolved. In 2017 multiple choice questions were re-introduced and the physics and maths sections were mixed up with one another rather than being two distinct sections. New Sample paper. In 2015, multiple choice questions were eliminated.

## Physics Aptitude Test (PAT) | University of Oxford ...

It's a great opportunity for me, considering it pays well, has excellent benefits, and I would love doing it. The problem is there is an aptitude test I have to take and pass in order to get the position. The test deals with something called "mechanical concepts" and there seems to be a lot of physics involved.

### **Some help with physics problems on an aptitude test ...**

Have each volunteer take the test. Ask volunteers to write their names and occupations at the top of the page. Score each test based on the difference between the volunteer's answer and the correct answer. For instance, if the answer is 197 and the volunteer writes 160 (or 234), the score for that question would be 37.
