Year 12 Further Maths - Vic Maths Notes

Would you like to know everything about mathematics?. Do you think that is impossible? It isn't if you are willing to read and study many books and videos. You can't learn everything from formal school class lectures - they can't allow time for the information to be completely absorbed.

Mathematics - 101science.com

The most common examples of 'graphs showing real-life situations in geometry' are those that model water flow. In AQA's sample assessment materials (Question 23 in Higher Paper 3) students are shown a graph representing the depth of water in a container over time. They are asked to identify the corresponding container from a selection (shown below).
