Taking notes allows you to make sense of the material you're reading and consider how it relates to the topic and point of view you will lay out in your paper. Regardless of the type of documents you use, you should note certain elements after you've created your summary and are ready to re-read the document.

Note-Taking - Learning Historical Research - William Cronon

There are few things my students hate more than taking notes—and I don't blame them. Hardly anyone enjoys taking notes. No matter the energy of the teacher or the diligence of the student, it's extraordinarily easy to lose focus while listening to long, uninterrupted lectures.
