The plot of Shakespeare's Othello is largely taken from Giraldi Cinthio's Gli Hecatommithi, a tale of love, jealousy, and betrayal; however, the characters, themes, and attitudes of the two works are vastly different, with Shakespeare's play being a more involved study of human nature and psychology. One of the major deviations from the source, is the motivation of the Iago figure.

In two of Shakespeare's plays, Hamlet and Othello, the power of words helps drive the central action of the plots. While there are different motivations for characters to employ the power of words and language in both Hamlet and Othello, the result is generally the same. First of all, it becomes clear that the words themselves have the power to shape and create a sense of reality.
