This is a very interesting and unusual position-not one that's easy to explain. Basically, you're trained in a group by a supervisor (some excellent, some good, some not so good-they all have their own style) to score a particular assessment item-for example, you might be scoring 8th grade responses to a question about something that they read in order to gauge reading comprehension; But even ...

Credits: 1. Prerequisite: Middle school biology and chemistry. Recommended: 9th or 10th Test Prep: CLEP Biology This course covers the basic material for this exam, but this is considered a very hard test, and I would suspect more will need to be studied to learn everything required for this huge exam. It's worth the same as two college courses which is why it covers so much.
