This convenient online course can help you get ready for the Georgia Milestones - Physical Science EOC assessment. Our expert instructors take you...

Georgia Milestones - Physical Science EOC: Test Prep ...

Science in a broad sense existed before the modern era and in many historical civilizations. Modern science is distinct in its approach and successful in its results, so it now defines what science is in the strictest sense of the term. Science in its original sense was a word for a type of knowledge, rather than a specialized word for the pursuit of such knowledge. In particular, it was the ...
