Passport is a document which is used for personal identification during abroad travels. The significant difference between visa and passport is that Visa is an official permission which temporarily authorizes us to stay in a foreign country and the passport is a document that certifies our identity during our travels.

The John Darwin disappearance case was an investigation into the faked death of the British former teacher and prison officer John Darwin. Darwin turned up alive in December 2007, five years after he was believed to have died in a canoeing accident. John Darwin was arrested and charged with fraud. His wife, Anne, was also arrested and charged for helping Darwin to collect his life insurance of ...

Women's rights in Iran have changed according to the form of government ruling the state. The idea and concepts, in regards to women's rights, has constantly evolved on a day-to-day basis. These shifts did not only come from standard views, such as history, or legal and cultural laws, but occurred through daily conversation and individual choices made.
