Form E Notes for guidance - Expat Divorce

At any age, a divorce can set you back financially, but ending a marriage later in life poses an extra threat: derailing a previously on-track retirement. As is true with younger couples, a divorce is likely to leave you with higher living expenses, lower in-come, and less wealth. But if you're fiftysomething or older, you'll have a lot less time to amass more earnings to make up for what ...
