Eugenics, the set of beliefs and practices which aims at improving the genetic quality of the human population, played a significant role in the history and culture of the United States prior to its involvement in World War II.. Eugenics was practiced in the United States many years before eugenics programs in Nazi Germany, which were largely inspired by the previous American work.

Eugenics in the United States - Wikipedia

The 10 or 20 seconds it takes to read a resume seems to always generate a lot of controversy. Candidates comment on how disrespectful it is, how one can't possibly read a resume in that time and some get angry at recruiters when we talk about this.

How Recruiters Read Resumes In 10 Seconds or Less
