The dependent variable y it is CEO total compensation for Hypotheses 1 and 2, and level of internationalization and acquisition performance for Hypotheses 3a and 3b. ForeignExperience it captures three different types of foreign experience: nationality, education and working experience. ControlVariables it contains a set of firm-level control variables. . Definitions of the main variables are ...

Foreign experience and CEO compensation - ScienceDirect

The Naturalist was fascinating. Fascinating as a study of character, and fascinating as an introduction to the colonial history of New Zealand. The novel is historical fiction to correct the injustice of a history that has been unvoiced: it tells the story of illegal land acquisition but also the story of at least one man who respected the Māori and their customs—but ultimately was ...

Heavy metals are generally defined as metals with relatively high densities, atomic weights, or atomic numbers.The criteria used, and whether metalloids are included, vary depending on the author and context. In metallurgy, for example, a heavy metal may be defined on the basis of density, whereas in physics the distinguishing criterion might be atomic number, while a chemist would likely be ...
