The Spanish missions in California comprise a series of 21 religious outposts or missions established between 1769 and 1833 in today's U.S. State of California. Founded by Catholic priests of the Franciscan order to evangelize the Native Americans, the missions led to the creation of the New Spain province of Alta California and were part of the expansion of the Spanish Empire into the most ...

Voltaire was a versatile and prolific writer. In his lifetime he published numerous works, including books, plays, poems, and polemics. His most famous works included the fictitious Lettres philosophiques (1734) and the satirical novel Candide (1759). The former—a series of essays on English government and society—was a landmark in the history of thought.
