Early history. The island of Mauritius was uninhabited before its first recorded visit during the Middle Ages by Arab sailors, who named it Dina Arobi.. In 1507, Portuguese sailors came to the uninhabited island and established a visiting base. Diogo Fernandes Pereira, a Portuguese navigator, was the first European known to land in Mauritius.He named the island "Ilha do Cirne".

The ocean's the ocean, right? It's just one homogeneous mass of water doing its stuff underneath the surface. That's pretty much what we thought too, until we looked at the subject in more depth and discovered there's a whole new world of layers of the ocean to be discovered "down under".

List of Layers of the Ocean + Surface to Abyss, Deep Sea ...

In life and business, there are always choices to make. When it comes to international shipping, there are many choices. Of all these choices, the most basic is the decision of what kind of transport to use: air freight or ocean freight.Whether you're a business that will be shipping overseas all the time or an individual moving to a new country, deciding whether to go with ocean freight or ...

4 Factors for Considering Air Freight vs. Ocean Freight

Warning: This answer contains Game of Thrones spoilers. At the time this question was asked, seven seasons of Game of Thrones had aired for a total of 67 episodes, per IMDB.

Everquest Zone Information for Asylum of Anguish. Did Jelvan event, then Hanvar, then backtracked to Keldovan the Harrier and soloed him, then surprisingly he dropped the orb (first time I've seen that happen, but I cannot recall killing him AFTER killing Hanvar, so I guess not too much of a surprise really since he's a mini and was the 3rd mini kill of the raid (I know 1 person isn't exactly ...

The color of water varies with the ambient conditions in which that water is present. While relatively small quantities of water appear to be colorless, pure water has a slight blue color that becomes a deeper blue as the thickness of the observed sample increases. The blue hue of water is an intrinsic property and is caused by selective absorption and scattering of white light.
