Georgism, also called geoism and single tax (archaic), is an economic ideology holding that, while people should own the value they produce themselves, economic value derived from land (often including natural resources and natural opportunities) should belong equally to all members of society. Developed from the writings of the economist and social reformer Henry George, the Georgist paradigm ...

We, the members of the Libertarian Party, challenge the cult of the omnipotent state and defend the rights of the individual. We hold that all individuals have the right to exercise sole dominion over their own lives, and have the right to live in whatever manner they choose, so long as they do not forcibly interfere with the equal right of others to live in whatever manner they choose.

### **2018 Platform | Libertarian Party**

Connect with APSC. The Australian Public Service Commission (APSC) is a central agency within the Prime Minister and Cabinet portfolio. The Commission supports two statutory office holders: the Australian Public Service Commissioner - who is also agency head - and the Merit Protection Commissioner.
