Human sexuality is the way people experience and express themselves sexually. This involves biological, erotic, physical, emotional, social, or spiritual feelings and behaviors. Because it is a broad term, which has varied over time, it lacks a precise definition. The biological and physical aspects of sexuality largely concern the human reproductive functions, including the human sexual ...

Current Passions Year 2019. My title is Senior Maverick for Wired, a magazine I helped co-found 25 years ago. I do one article for Wired per year. My most recent article is a cover story about augmented reality called Mirrorworld. It describes what I believe will be what happens after the web and smart phones.
