Prosperity for all begins with a refusal to shy away from the biggest challenges. That includes delivering a Brexit that works for our nation, but not allowing it to dominate the domestic agenda. Business and government must proactively work together to lift our productivity. To renew our infrastructure, solve our skills gap and invest in new technology.

Background. Release management is a relatively new but rapidly growing discipline within software engineering. As software systems, software development processes, and resources become more distributed, they invariably become more specialized and complex. Furthermore, software products (especially web applications) are typically in an ongoing cycle of development, testing, and release, often ...
