Quantitative Analysis of Investor Behavior. Since 1994, DALBAR's Quantitative Analysis of Investor Behavior (QAIB) has measured the effects of investor decisions to buy, sell and switch into and out of mutual funds over short and long-term timeframes. These effects are measured from the perspective of the investor and do not represent the performance of the investments themselves.

About QAIB - Dalbar, Inc.

We are here to help you. Clients who work with us gain access to a long-tenured investment team, our scale as a money fund provider, and our comprehensive roster of funds — all of which we harness to address our clients' specific needs.
