If you are referring to the National Incident Management System course, please do us all a favor and study for your exam. By the way, there are 8 different 100 level courses.

### **What is the NIMS 100 answer key**

The students who truly are interested in STEM will seek an extracurricular activity to get more involved and learn more about STEM. Most educators cannot get every one of their students interested in what they are teaching, but in an extracurricular activity, you will have the students who not only like what you teach, but they are eager to learn.
