Okay, so I know there's another thread here which would suggest that it's about The Photography Institute online course, but it's evolved into a discussion about a different course altogether, confusing me (and others) who have dipped into it. So I really am doing The Photography Institute course. Just had Module 3 marked - found it tough going, but got 9/10.

I have a editorial photography assignment about children modeling. I was thinking of shooting a girl about 6.. with make-up, hair done, nice dress, high heels. I already have permission from the mother who is my sister-in-law. Again this is for a class assignment. I'm trying to show how people are against child modeling. Any set up ideas?
