Laundry Guide to Common Care Symbols

To understand why the Millennium Bridge swayed, engineers of Arup studied the videotape taken on the day of the opening ceremony. In the beginning they thought the forces of 18 might have caused the movement because there were many flags and banners on the bridge that day. But quickly new understandings arose after series of tests were conducted on how people walk on 19 floors.

Readership and circulation. For print media, the two main measures of audience are readership and circulation. Circulation relates to the number of copies circulated to the public. Readership is the number of readers - either of a specific issue of the publication, or over a certain time period, such as 3 months. Circulation is measured from sales figures, but readership is measured from ...
