History of Welfare in Canada - Canadian Social Research Links

Sociology is the study of society, patterns of social relationships, social interaction, and culture of everyday life. It is a social science that uses various methods of empirical investigation and critical analysis to develop a body of knowledge about social order, acceptance, and change or social evolution. While some sociologists conduct research that may be applied directly to social ...

Sociology - Wikipedia

Wealth inequality in the United States (also known as the wealth gap) is the unequal distribution of assets among residents of the United States. Wealth includes the values of homes, automobiles, personal valuables, businesses, savings, and investments. The net worth of U.S. households and non-profit organizations was \$94.7 trillion in the first quarter of 2017, a record level both in nominal ...
