lead the way principles of engineering class 2012 coming up. I am allowed one single sided page of notes and I am clueless on what to put on the page of notes. Does anyone have an Idea for what I should study for and what to put on that page?

PLTW principles of engineering final test study help ...

Civil Engineering and Architecture (CEA) is a high school level specialization course in the PLTW Engineering Program. In CEA students are introduced to important aspects of building and site design and development. They apply math, science, and standard engineering practices to design both residential and commercial projects and document their work using 3D architectural design software.
