"The Green Book" is a book that is very special to me because it is what got me into science fiction and fantasy. I find "The Green Book" to be a unique blend of those two genres, and it does it very well. The story is about a family who was on one of the last spaceships to leave a far in the future dying earth.

### **The Green Book by Jill Paton Walsh - Goodreads**

City Green is a wonderful book that emphasizes the importance of preserving our environment and making something beautiful out of something that's not so beautiful. This book shows an entire community coming together to bring a beautiful spot of land to their block, and create a place where they can all go to be surrounded in beauty and living ...
